Additionally, the Reporting Persons review on a continuing basis their investment in the Issuer. Based on such review, one or more of the Reporting Persons, individually or in the aggregate, from time to time, may acquire, or cause to be acquired, through open market purchases, privately negotiated agreements or otherwise, additional securities or assets of the Issuer or its subsidiaries, dispose of, or cause to be disposed, securities of the Issuer or its subsidiaries (subject to the lock-up agreement described below), enter into or unwind hedging or other derivative transactions with respect to securities of the Issuer or its subsidiaries, form joint ventures with the Issuer or its subsidiaries, pledge their interest in securities of the Issuer or its subsidiaries as a means of obtaining liquidity or as credit support for loans for any purpose, or formulate other purposes, plans or proposals regarding the Issuer, its subsidiaries or any of their respective securities or assets, in light of the Reporting Persons' investment mandates and the general investment and trading policies of the Reporting Persons, the Issuer's business and prospects, financial condition and operating results, general market and industry conditions or other factors. If the Reporting Persons were to acquire additional equity of the Issuer, the Reporting Person's ability to influence the management, the board or the policies of the Issuer may increase. In addition, the Reporting Persons and their representatives and advisers will engage in communications with the Issuer's other directors and members of management and other security holders, industry participants and other interested parties concerning the Issuer, including with respect to the types of transactions disclosed in this paragraph or otherwise referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons will, from time to time, review or reconsider their position or change their purpose or formulate plans, strategies or proposals and take such actions with respect to the Issuer. Pursuant to the terms of the Investor Rights Agreement, each Sponsor is entitled to nominate (a) five directors for election to the Board for so long as it holds 40% or more of the Issuer's outstanding Common Stock, (b) three directors for election to the Board for so long as it holds 30% or more of the Issuer's outstanding Common Stock, (c) two directors for election to the Board for so long as it holds 15% or more of the Issuer's outstanding Common Stock and (d) one director for election to the Board for so long as it holds 5% or more of the Issuer's outstanding Common Stock. Each Sponsor has exercised its right to nominate directors to the Board and each Sponsor currently intends to continue exercising such rights. Pursuant to the terms of the Investor Rights Agreement, each Sponsor has agreed to vote in favor of the other Sponsor's nominees and for the election of the Issuer's then-current chief executive officer to the Board, and subject to any applicable securities exchange or equivalent listing requirements, the Issuer will agree to take all necessary and desirable actions to support the election of such director nominees, including soliciting proxies in favor of such nominees, at each annual or special meeting of the Issuer's stockholders called for the election of directors. The Investor Rights Agreement also provides that the size of the Issuer's board of directors may not exceed 12 members unless otherwise agreed by the Sponsors. In addition, subject to certain conditions, the Investor Rights Agreement provides each Sponsor with certain rights with respect to Board committee membership, except to the extent that such membership would violate applicable securities laws or stock exchange or stock market rules. Directors nominated by the Sponsors may be removed with or without cause by the affirmative vote of the Sponsor entitled to nominate such director. In all other cases and at any other time, directors may only be removed for cause by

6

the affirmative vote of at least a majority of the voting power of our common stock. The Issuer is required to bear the expenses associated with any transactions contemplated under the Investor Rights Agreement.

The Issuer will be required to bear the registration expenses, other than underwriting discounts and commissions and transfer taxes, associated with any registration of shares of its Common Stock held by the holders of its Common Stock with registration rights under the Registration Rights Agreement.
